

DREAMGOLF

living with passion

It's my passion

The Costa del Sol is visited by millions of tourists throughout the year, which makes it one of the most sought-after enclaves at an international level to live throughout the year and also to enjoy vacation periods.

Its enviable climate, its warmth, the cleanliness of its waters, its gastronomic offer, its innumerable golf courses, its comfortable beaches with all kinds of services, its wide and efficient communications network and the great cultural offer make this corner of southern Spain a benchmark as a tourist destination throughout the year.

On the Costa del Sol, DreamGolf is your passion

a dream place

DreamGolf stands on a gentle hill in front of the Mediterranean Sea in the municipality of Mijas. A natural environment surrounded by golf and just a few minutes from the beach, Cala de Mijas and all kinds of services.

Its privileged location between the sea and the mountains allows you to enjoy two natural sceneries within a very short distance.

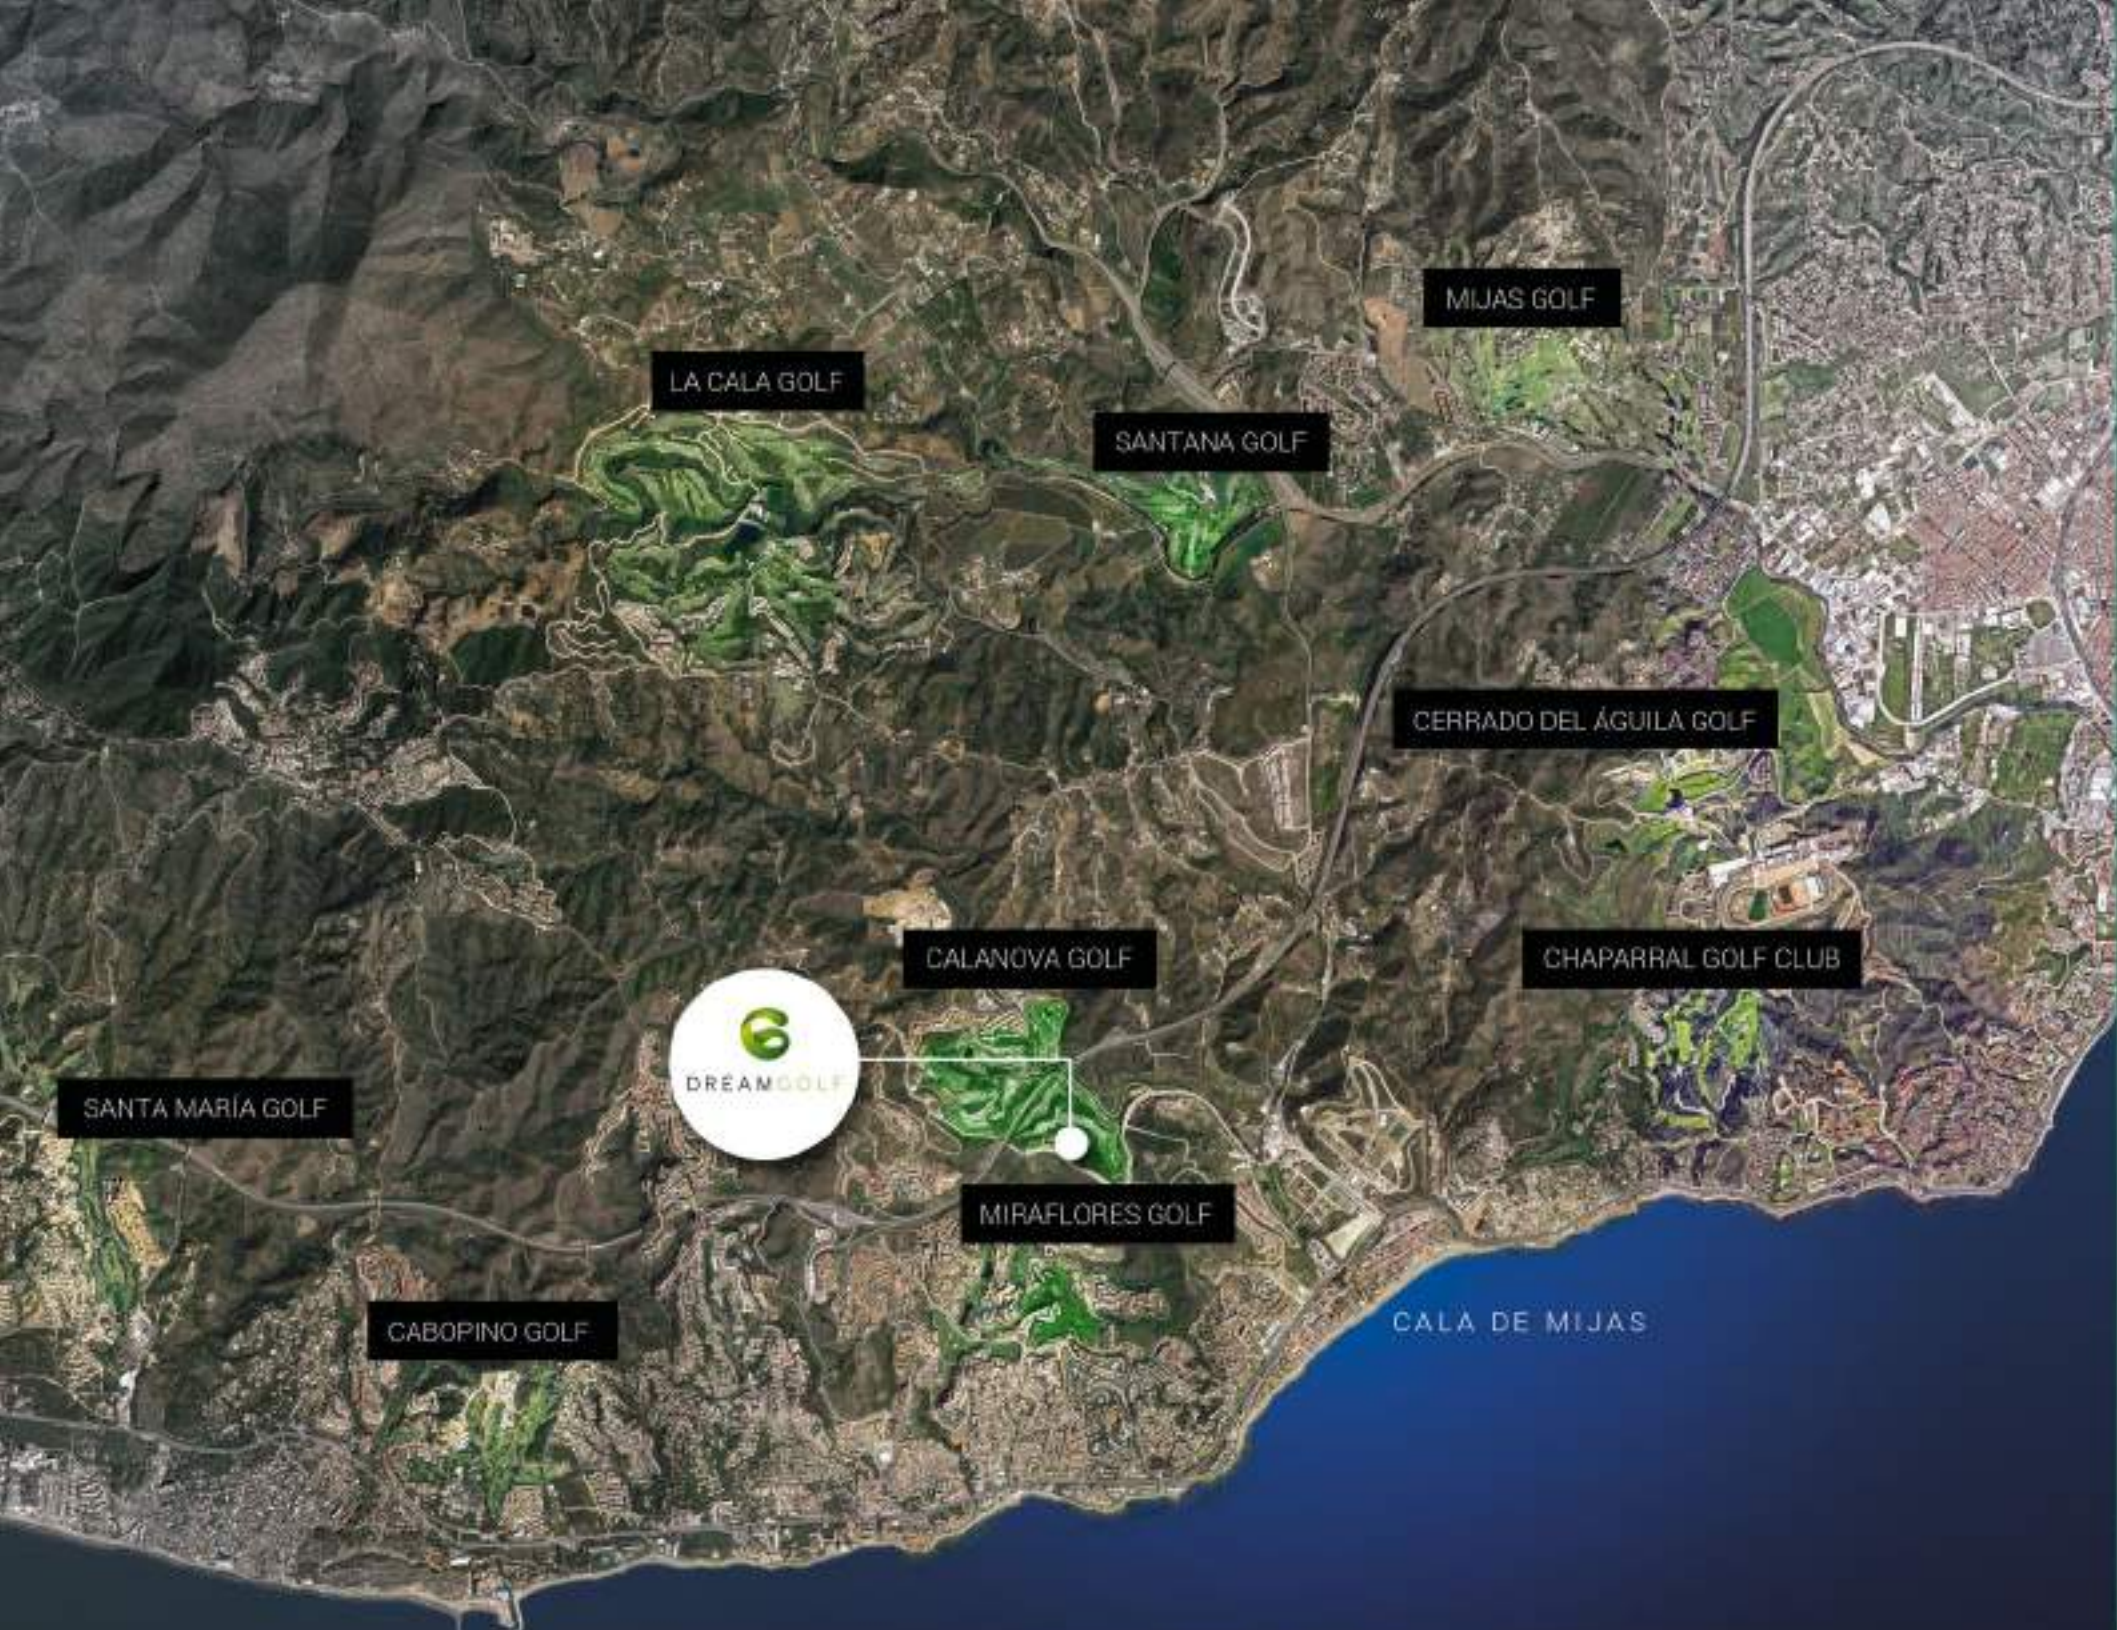

Contemporary design homes created to enjoy privacy and proximity to golf.

Excellent communication by highway and motorway connects DreamGolf just 20 minutes from Malaga Airport and 25 minutes from Marbella.

Malaga International Airport connects DreamGolf with the main capitals of Europe. It only takes a few hours to completely change the scenery and enjoy the climate of the Costa del Sol.

CABOPINO MARINA

the Golf of Dreams

DreamGolf is on the front line of the Calanova Golf course and at the foot of the 14th hole. In its immediate surroundings there is a wide range of golf courses that meet the demands of players of all levels.

more than 70 golf courses just for you

There is no place like the Costa del Golf. With its more than 70 active golf courses (including the Cadiz area of Sotogrande, San Roque and Alcaidesa), our destination at **DreamGolf** is the area in Continental Europe with the largest number of golf courses. The great variety and quality of each of them satisfies all the expectations of the fan of this sport. Lots to choose from and enjoy.

beaches, sun & fun

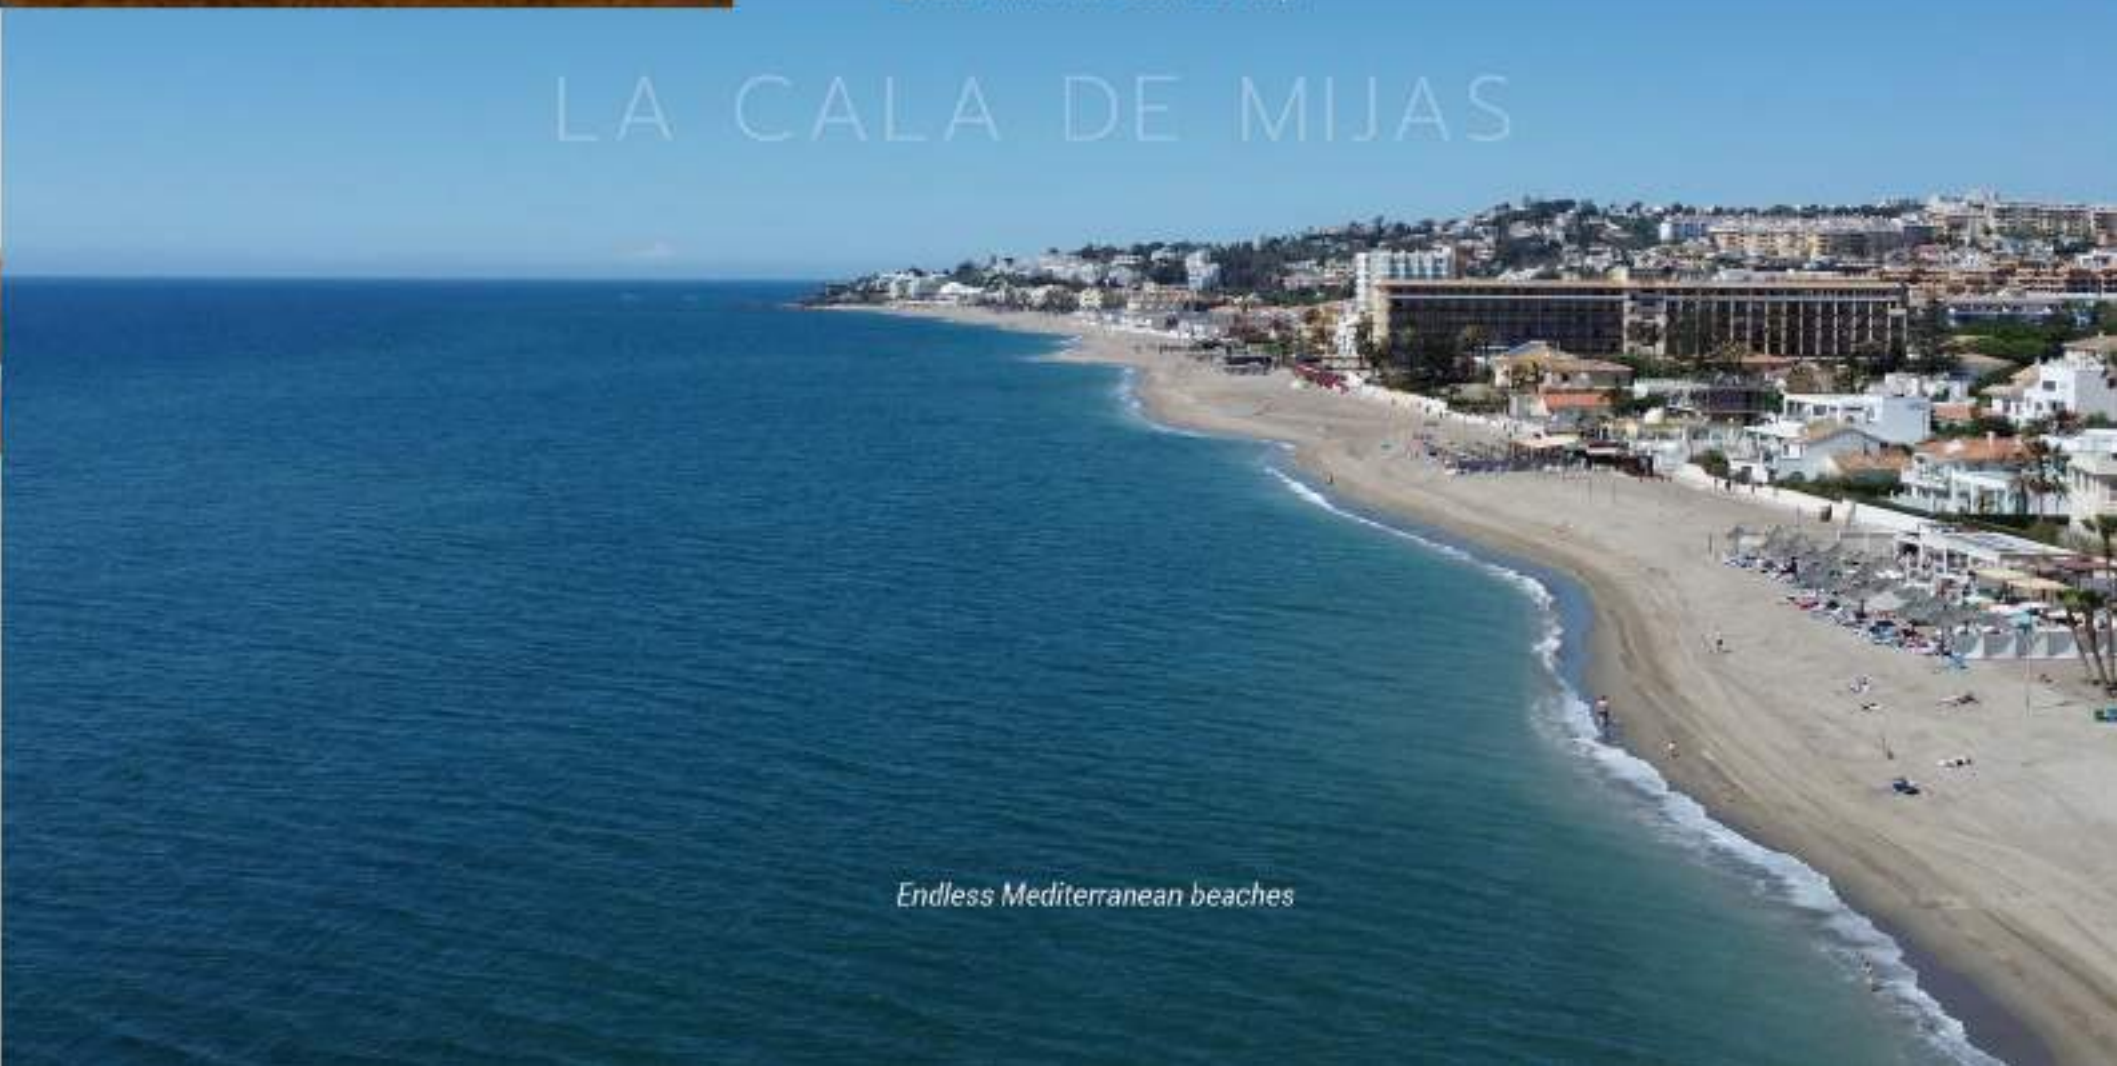

DreamGolf is lived above all outside. What do you want to do today? no answer is needed, let yourself be carried away by its surroundings and you will find what you want because everything is together with **DreamGolf**. The beach bars and beach clubs, the infinite gastronomic offer, the quality of its beaches, clean waters, rocks and coves, the pedestrian walkway that runs along the coastline, the water sports and above all the enviable climate with a gentle Mediterranean breeze where time seems to stop.

a dreamlike nature

The coast of Cala de Mijas is located in a protected natural area of special conservation thanks to the great variety of marine fauna and flora and the quality of its waters covered with *posidonia* fields that oxygenate the sea and surround it with unparalleled transparency. **DreamGolf** is a dream in the middle of nature.

year

all homes in DreamGolf enjoy a community pool to refresh the most unforgettable moments. In DreamGolf you choose the moment you want to enjoy. Sport or relaxation.

a dreamy calm

We offer an elegant set of lines inspired by rational architecture. **DreamGolf** will be your new home on the Costa del Sol to live all year round or to spend time off with your family. We have different types of homes with 2 and 3 bedrooms that adapt to all needs with a common element: high levels of quality and interior and exterior comfort.

DREAMGOLF

DREAMGOLF

contemporary design

A residential area with an avant-garde and Mediterranean aesthetic, full of light and with a perfect blend of current trends and sustainability.

The homes offer the "open space" concept where the lounges are integrated with the terraces extending the feeling of spaciousness.

At **DreamGolf** you will find your own space in a home designed to take advantage of your interests and where brightness is the protagonist.

all within reach

The location of **DreamGolf** is the perfect combination between living in a residential environment and the comfort of being a stone's throw from golf and the most lively area of Cala de Mijas.

Leave the rush behind and start living calmly. A new stage in a place where comfort and tranquility accompany you in each and every moment throughout the day.

brightness all year round

From most of the homes it is possible to contemplate the landscape over Cala de Mijas, its mountains and of course the golf course.

From the penthouses the feeling of freedom surrounds you completely. Its glazed areas provide transparency and increase the visibility of the surroundings.

type

3 bedroom apartment

Real luxury is in the small details and in the search for the unique and distinctive.

The selection of materials fully integrate different environments in every way through a natural color palette that invite to relaxation and rest.

Observation: The developer may make the modifications it deems necessary due to technical, construction, legal or availability requirements. The detailed areas are approximate. The equipment of the apartment will be the one indicated in the memory of quality, not being followed. The furniture has been represented for purely illustrative purposes.

type

Penthouse

For those who are looking for the definitive home next to the golf course and near the sea.

At **DreamGolf** the space acquires a new dimension. The light, the height, the balance of the habitable areas and the perfect architectural harmony provide a spectacular feeling of spaciousness.
